Dear Parents/Carers

### Forest School - Cherry and Lime class starting 8<sup>th</sup> November 2024

Children will have Forest School after half term, which is a very exciting time for them. Our Forest School sessions takes place within the woodland area towards the rear of the school field and is run for all classes throughout the school year. Forest Schools provide all children within the school the opportunity to experience outdoor learning within a familiar location. It encourages children to take control of their own learning through small achievable tasks.

Your child will be taking part in Forest Schools from Friday 8<sup>th</sup> November 2024:
