

December 2024

Dear Parents,

As you are aware, the whole school will be singing on the school field on Thursday 19th December. It is an event which has grown in popularity amongst the children over the last few years and is a lovely way to end the term.

Every year, we use the event as a way to raise money for a charity. I meet with members of the school council who provide the whole school with a range of charities or organisations they would like to donate money to.

Last week, teachers shared these with their classes and every child across the school has voted. As you can see above, the school will be donating all money raised to the homeless charity 'Shelter.'

I personally think the children have voted well and any money raised will support children and families who are being affected by homelessness this Christmas.

Donations can also be made via Parentpay.

On Thursday pupils are expected to wear school uniform on the day (unless they are the winning house!) but all children can wear festive Christmas hats/headbands etc. if they would like.

Winning house is; Mary Anning - children in Mary Anning House can come to school on Thursday in Non-School Uniform and of course their festive headwear.

Kind regards,

Mr D Walters
Deputy Head
