

Where do we belong?

Our Learning

Children will have a varied knowledge about belonging from their previous experiences at home, pre-school and faith related places of worship.

We will discuss how we belong to our families and these can look very different from our peers. We will also discuss how we belong to our local community, school, sports clubs and friendship groups.

We will look at the world we live in and learn how Christians believe God is the creator of Earth.

We will discuss baptisms and marriage as a way of belonging and how we celebrate Harvest Festival to thank God for food and farmers, for the sun and rain so that the crops grow, and for a good harvest.

KEY VOCABULARY	MEANING
Baptism	A sign of following Jesus.
Value	Worth lots.
Special	Something of great importance.
Unique	One of a kind
Belonging	A sense of fitting in or feeling like you are a part of a group.
Creator	The person who made something.

Key Questions (Specific learning / focus for unit)

How would you welcome a baby into your family? And make it feel like it belongs?

How are you special and unique? What can you do that no one else can? How are you different to everyone else?

- When have I felt special?
- What happens at a traditional baptism?
- Why do we celebrate Harvest Festival?
- Where do I belong?
